University Of Mumbai

Respected sir,

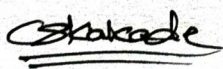

I, Mr. Nandu R. Hedulkar working as Assistant Professor of Zoology in Anandibai Raorane Arts, Commerce & Science College, Vaibhavwadi, Sindhudurg since 2014. As per the feedback received from student and our staff, On behalf of me, my colleagues and students, I would like to share some suggestions to improve our subject if possible. These are as follows

1. Sir please see that if any event/ programme/ meeting related to our subject which is going to happen in colleges of Mumbai and Sub-urban region, the **intimation of such event/ programme** should reach up to the Principal, Head of the institute of respective colleges of Konkan Region at least eight days before scheduled date **through proper invitation or letter** so as manage travelling and other concern. Same should be done by colleges in Konkan region while inviting teachers in Mumbai Region for smooth conductance of event programme.
2. Please see if **distribution of University textbook is possible through University sub centre- Ratnagiri**. Book lots deposition, storage, distribution, payment, exchange of books and receipt like works can be done from the same place so as to reduce burden of students faculty and university administration.
3. **Syllabi links (given in PDF) files should be named properly and arranged year wise** so that anyone can access it easily.
4. As students suggested, they want at least **two dissections per year**. One invertebrate and one vertebrate animal should be included for dissection.

I hope the committee will think upon these suggestions.

Thanking You
