Activity Report

Academic Year	2021-22
No. of the Activity	05/ 2021-22
Name of the activity	"Career Opportunities in Pharmaceutical Industry"
Day and Date	Friday, 20 th April 2022.
Time	11:00 am. to 02:00 pm
Venue	Online
Organized by	Department of Chemistry
Coordinators	Dr. D. M. Sirsat Mr. K. S. Pakhare Mr. S. M. Karape Dr. V. B. Gopula
The activity of College/Class/Group	National Workshop
No. of participant	155
Nature	Co-curricular Activity
Objectives of the Activity	1. To introduce career opportunities in the pharmaceutical industry.
Brief Information	One of the most sought and flourishing industries of pharmaceutical products is the main reason for national economic well-being and development. New technological innovations can help enable pharma companies to improve patient care with better diagnostic methods and the development of novel medicines. During this national webinar, first, Speaker Dr. Prashant Phanasekar talks about pharmaceutical sales representatives. They are sales professionals specializing in selling pharmaceutical and medical products. Regulatory specialists. Clinical data managers. Pharmaceutical research scientists. Biotechnology consultant. He also elaborates on the opportunities in the research and development department. Manufacturing, quality manager, and laboratory analyst positions. Lastly, He inspired for the choose a career in the pharmaceutical industry and provided detailed information about the education system of the pharmaceutical industry.

Expected Outcomes	The participants were aware of the education of the pharmaceutical industry and career opportunities in the pharmaceutical industry.
Feedback Analysis	The activity was completed successfully. The feedback link was provided to participants. Participants' feedback was overwhelming and inspirational.

Date: 20th April 2021, Friday

Time: 11:00 am. to 02:00 pm.

Preamble:

With the blessings and inspiration of our Maharana Pratapsinh Shikshan Sanstha, Mumbai's Management, having the constant encouragement of our respected Principal Dr. C. S. Kakade, a workshop is conducted to know “Career Opportunities in Pharmaceutical

Therefore, this workshop will be beneficial for all the educational fraternity, for the participating faculties and students. The department of Internal Quality Assurance Cell (IQAC) in association with the Department of Chemistry is hosting the following schedule and topic:

Topic: "Career Opportunities in Pharmaceutical Industry"

Date: 20th April, 2021

Resource person: Dr. Prashant Phanasekar

Time: 11:00 am. to 02:00 pm.

About the speaker:

Dr. Prashant Phanasekar is a Director at PQS Training Lab Goa, India -403722. He has a well-established laboratory with various sophisticated sample-analyzing spectroscopic equipment.

Description:

One of the most sought and flourishing industries of pharmaceutical products is the main reason for national economic well-being and development. New technological innovations can help enable pharma companies to improve patient care with better diagnostic methods and the development of novel medicines. During this national webinar, first, Speaker Dr. Prashant Phanasekar talks about pharmaceutical sales representatives. They are sales professionals specializing in selling pharmaceutical and medical products. Regulatory specialists. Clinical data managers. Pharmaceutical research scientists. Biotechnology consultant. He also elaborates on the opportunities in the research and development department, Manufacturing, quality manager, and laboratory analyst positions. Lastly, He inspired for the choose a career in the pharmaceutical industry and provided detailed information about the education system of the pharmaceutical industry.

Program:

For this Webinar, a Google Meet registration link was created on the WhatsApp group. The link was circulated among students, research scholars, and faculties of Arts, Commerce, Science, Engineering, and technology. 217 participants from various states, were participated in this workshop. In the beginning, Dr. D. M. Sirsat, IQAC Coordinator and Head Dept. of Chemistry gave a welcome address to the participants, Dr. C. S. Kakade, Principal, gave well wishes for the success of the national workshop, Mr. K.S. Pakhare gave an introduction of the Resource Person of Dr. Parashant Phanasekar the whole session was handled by Mr. S. M.

Karape as a convener and an anchor and after the resource person presentation, Dr. V. B. Gopula delivered the vote of thanks.

From the workshop, the participants came to know about the Career opportunities in pharmaceutical industry.
