**Activity Report on National Statistics Day
Academic Year 2021 - 22**

Name of the activity	Celebration of National Statistics Day
Organized by	Science Association & Department of Statistics
Co-coordinator/ Incharge	Mr. S. B. Patil
Time/Course duration	29 th June 2021 (online and offline)
Activity for class /group	For all science students (A group)
Beneficiary No.	28
Nature: Co-curricular/ Extra co-curricular/ Academic	Extra-curricular
Brief information about activity	National Statistics Day is celebrated on June 29, 2021, to promote the use of statistics in daily life. Prof. P C Mahalanobis' birthday is celebrated on this day. Because of the exceptional contribution made by Late Professor Prasanta Chandra Mahalanobis in the area of economic planning and statistics, the Government of India chose to commemorate National Statistics Day on his birthday. The Webinar on "Scope of Statistics in Government and Industrial Fields" was held on the same day. The first session of this webinar had Mr. Suchit R. Vanjare (Asst. District Planning Officer, Ratnagiri) as the speaker. He discussed the significance and breadth of statistics in the public sector. The second segment of this webinar featured Mr. Ajit V. Phalake (Statistician, Program for Appropriate Technology in Health (PATH), Mumbai). He spoke on the subject of the Scope of Statistics in the Industrial Sector and Public Health.
Objective of the activity	Students will be educated, shown, and given knowledge regarding statistical scope, as well as have the opportunity to participate. To expose students to the subject of "The Scope of Statistics in Government and Industrial Fields,"
Outcome of the activity	The major goal is to raise awareness about the importance of that issue or theme. The Sustainable Development Goal (SDG) 2 is the subject for this year's National Statistics Day (End Hunger, Achieve Food Security and Improved Nutrition and Promote Sustainable Agriculture). and they learn about scope and importance of statistics.
Feedback Analysis	All the students learn about scope and opportunities in statistics.
