**Activity Report on Mathematics Day
Academic Year 2021 - 22**

Name of the activity	Celebration of Mathematics day
Organized by	Science Association & Department of Mathematics
Co-coordinator/ Incharge	Mr. S. B. Patil
Time/Course duration	
Activity for class /group	For all science students (A group)
Beneficiary No.	28
Nature: Co-curricular/ Extra co-curricular/ Academic	Extra-curricular
Brief information about activity	On December 22nd to remember the birth anniversary of mathematical genius " Srinivasa Ramanujan," celebrated annually on National Mathematics Day is an opportunity to learn more about mathematics. The day was celebrated along with mathematics department and they also presented their posters at Spandan regarding Srinivasa Ramanujan and its contribution in the field of mathematics.
Objective of the activity	Mathematics aids in the development of the capacity to reason rationally and to deal with issues that emerge in the physical world on the basis of facts, which is essential in the physical environment. One of the primary goals of commemorating International Mathematics Day is to create awareness among youngsters about the significance of mathematics in the growth of mankind. The primary goal of the event was to commemorate Sir Ramanujan's birthday while also educating students on the practical and everyday uses of mathematics in engineering that they may see in their daily lives. A candle was lit and flowers were placed around Srinivas Ramanujan's photograph at the Department of Mathematics and Sciences to kick off the festivities.
Outcome of the activity	Students were encouraged to attend the lecture, with the hope that they learn about the enormous contribution made by great Indian mathematicians. On this day, we recognize the relevance of mathematics in our lives and urge individuals to improve their self-learning and reasoning abilities.
Feedback Analysis	All the students learn about Srinivasa Ramanujan and their contribution in mathematics

On the occasion of Birth Anniversary of
The Great Mathematician Srinivas Ramanujan
as, National Mathematics DAY

• Day: 24/12/2021 Time: 10.30 am

Topics :

- 1) Vedic Mathematics.
- 2) Srinivas Ramanujan: The Man who knew Infinity.
- 3) Development of Mathematics in Modern India.
- 4) Women Contribution in Development of Mathematics in India
- 5) Application of Mathematics In Science and Technology.

Instructions For Participants:

- Each Participant will get 10 minuets to present.
- Student can make presentation with PPT.
- Entries should submitted on or before 23/12/2021.

Organizing Committee:

1. Miss. P. M. Manjarekar

Mob:8237329320

2. Mr. V. V. Shinde
