Activity Report

Academic Year	2021-22
No. of the Activity	05/ 2021-22
Name of the activity	“Career Opportunities in Pharmaceutical Industry”
Day and Date	Friday, 20 th April 2022.
Time	11:00 am. to 02:00 pm
Venue	Online
Organized by	Department of Chemistry
Coordinators	Dr. D. M. Sirsat Mr. K. S. Pakhare Mr. S. M. Karape Dr. V. B. Gopula
The activity of College/Class/Group	National Workshop
No. of participant	155
Nature	Co-curricular Activity
Objectives of the Activity	1. To introduce career opportunities in the pharmaceutical industry.
Brief Information	One of the most sought and flourishing industries of pharmaceutical products is the main reason for national economic well-being and development. New technological innovations can help enable pharma companies to improve patient care with better diagnostic methods and the development of novel medicines. During this national webinar, first, Speaker Dr. Prashant Phanasekar talks about pharmaceutical sales representatives. They are sales professionals specializing in selling pharmaceutical and medical products. Regulatory specialists. Clinical data managers. Pharmaceutical research scientists. Biotechnology consultant. He also elaborates on the opportunities in the research and development department. Manufacturing, quality manager, and laboratory analyst positions. Lastly, He inspired for the choose a career in the pharmaceutical industry and provided detailed information about the education system of the pharmaceutical industry.

Expected Outcomes	The participants were aware of the education of the pharmaceutical industry and career opportunities in the pharmaceutical industry.
Feedback Analysis	The activity was completed successfully. The feedback link was provided to participants. Participants' feedback was overwhelming and inspirational.

Date: 20th April 2021, Friday

Time: 11:00 am. to 02:00 pm.

Preamble:

With the blessings and inspiration of our Maharana Pratapsinh Shikshan Sanstha, Mumbai's Management, having the constant encouragement of our respected Principal Dr. C. S. Kakade, a workshop is conducted to know “Career Opportunities in Pharmaceutical

Therefore, this workshop will be beneficial for all the educational fraternity. for the teaching faculties and students. The department of Internal Quality Assurance Cell (IQAC) in association with the Department of Chemistry is hosting the following schedule and topic:

Topic: "Career Opportunities in Pharmaceutical Industry

Date: 20th April, 2021

Resource person: Dr. Prashant Phanasekar

Time: 11:00 am. to 02:00 pm.

About the speaker:

Dr. Prashant Phanasekar is a Director at PQS Training Lab Goa, India -403722. He has a well-established laboratory with various sophisticated sample-analyzing spectroscopic equipment.

Description:

One of the most sought and flourishing industries of pharmaceutical products is the main reason for national economic well-being and development. New technological innovations can help enable pharma companies to improve patient care with better diagnostic methods and the development of novel medicines. During this national webinar, first, Speaker Dr. Prashant Phanasekar talks about pharmaceutical sales representatives. They are sales professionals specializing in selling pharmaceutical and medical products. Regulatory specialists. Clinical data managers. Pharmaceutical research scientists. Biotechnology consultant. He also elaborates on the opportunities in the research and development department, Manufacturing, quality manager, and laboratory analyst positions. Lastly, He inspired for the choose a career in the pharmaceutical industry and provided detailed information about the education system of the pharmaceutical industry.

Program:

For this Webinar, a Google Meet registration link was created on the WhatsApp group. The link was circulated among students, research scholars, and faculties of Arts, Commerce, Science, Engineering, and technology. 217 participants from various states, were participated in this workshop. In the beginning, Dr. D. M. Sirsat, IQAC Coordinator and Head Dept. of Chemistry gave a welcome address to the participants, Dr. C. S. Kakade, Principal, gave well wishes for the success of the national workshop, Mr. K.S. Pakhare gave an introduction of the Resource Person of Dr. Parashant Phanasekar the whole session was handled by Mr. S. M.

Departmental Activity Report (2021-22)

Activity – Career opportunities after B. Sc and M. Sc Physics

Date: 21/04/2022

Time: 10:15 am -11:00 am

Physics is the study of nature, which allows students to harness new ideas and Science for the current trends of technologies and innovation. Keeping this in mind the Department of Physics organized a career-counseling program entitled “Career Opportunity after BSc & MSc Physics” on 21st April 2022.

The department of faculty Assist. Prof. Mr. P. M. Dhere mentioned current research and teaching opportunities of a career in abroad with its study requirements such as GRE, TOFEL, and IELTS. He explored the horizon of Physics in various fields such as teaching, research career at BARC, IIT, IISC, IISER, ISRO, DRDO, IUCIA, TIFR, Geophysics, medical field, defense, competitive exams, banking sector, animation industry, IT industry, heavy industries, railway sector, Share Market, etc. with available career opportunities after BSc & MSc Physics.

With the vote of thanks proposed by Dr. D. B. Shirgaonkar, the program was declared over. The program was attended by 17 students of FY/SY/TYBSc-Physics.
